# Classes available

All Classes are conducted in weekly blocks from Monday to Friday apart from the Flying Trapeze One Day Class

## 5 to 8 Year Olds Circus Fun

An introduction to the circus through a safe and fun environment. Skills include elementary tumbling and body movement, balance and co-ordination skills, human pyramids and partner work. Great for confidence building, just awesome fun!

**\$120 per week**

10:00-11:00	Circus Fun in the Top Tent
-------------	----------------------------

## General Circus 8 Yrs and Above

A more challenging and advanced program than the 5-8 class. It covers all aspects of the circus from flexibility, tumbling, manipulation, unicycles, aerial skills and human pyramids. Open to the older kids, an ideal introduction to a range of skills.

**\$140 per week**

9:30-11:00	General Circus in the Big Top
------------	-------------------------------

 **Flying Trapeze One - Day Class**

The ideal opportunity to fly. Open to kids and adults. Conquer your fears and experience the thrill of flying through the air on the high trapeze. All classes use safety lines with the safety net below so come and give it a go.

**\$50 per day class**

<b>3:30-5:00</b>	Flying Trapeze One - Day Class
------------------	--------------------------------

 **Specialty Classes**

The choice of one skill development for the week. For those who have already experienced some form of circus and know what they want to learn. Open to all ages, spaces are limited so get in quick.

**\$150 per week**
